Dear Anthony,

Thank you for your E mail and also the content which is noted. I can see no issue with the naming of the French regional dub as you describe it below and if you wish to maintain the name for the breed as the UK derivative of the name good. The rest of the world have shortened it to just Angus but I thank the French society in advance for maintaining the true name for the breed.

Please keep me up to date with your progress and I would like to be able to attend your first meeting.

Anything further we can help or advise on please don't hesitate.

Many thanks and kind regards,

Barrie L. Turner
